87 Naked in Cephalonia

££££

Don't knock nudism until you've tried it: there's nothing as liberating as letting it all hang out somewhere nice and hot (just don't skimp on the sun block). A lot of naked resorts are rather tatty, though: instead, strip off in comfort at Vassiliki Nudist Club, a neat group of 12 flats on Cephalonia, with a decent pool, good food and excellent nude beaches nearby. Chalfont Holidays (01494 580728, chalfontholidays.co.uk) has a guide price of £1,080/£1,590 per couple (no singles allowed, but families welcome), including flights and car hire.
