

## Britons go further with naked ambitions

**Ringwood** A couple who gave up their jobs to set up a naturist resort in Greece are opening a second centre in South Africa.

Mark Taylor, 38, a former chef, and his wife Sam, 30, who worked for an investment banker, from Ringwood, Hampshire, opened the Vassaliki resort in Kefalonia three years ago. They are now expanding to a resort near Cape Town.

Mr Taylor said: "Around 80 per cent of our guests are seasoned naturists but the rest are coming out to try it for the first time. This is a comfortable place to get started."
